First is nothing new to us.

THE FUTURE OF PRODUCE WAS PLANTED IN 1948. IN GLENNVILLE, GEORGIA.

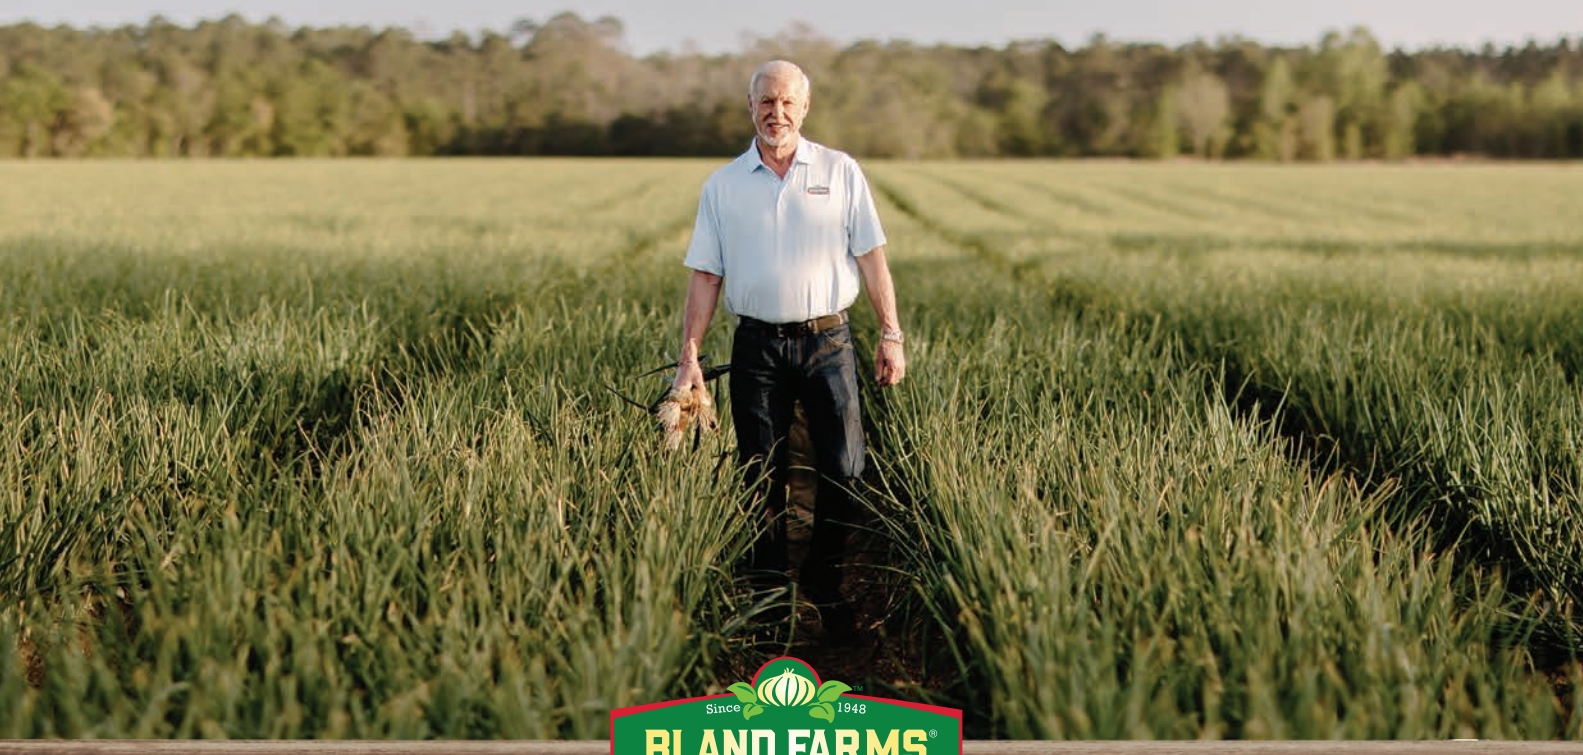
First to market Vidalia® onions nationally, in 1983

Pioneer of the year-round sweet onion program

Among the first to champion PLU legislation for Vidalia Onions

30+ years owning and operating our own fields in Peru

Every great idea in produce starts the same way. In the dirt.



Since 1948
BLAND FARMS®
Roots to Retail

Let's grow what's next.
