PRETZEL PITA CHIPS

CRUNCHY PRETZEL OUTSIDE, ARTISAN PITA INSIDE

THE FIRST PITA CHIP INNOVATION IN 3,000 YEARS (SERIOUSLY!)

At PRETZELIZED™, we're revolutionizing snacking by transforming classic snacks into pretzels. Our Pretzel Pita Chips combine the snackability of a pretzel with the versatility and sturdiness of a pita chip to create a one-of-a-kind snack that disrupts the status quo. Twice-baked to golden perfection, these artisan chips are an ideal pairing for your favorite dips, whether you're enjoying them solo or with others.
