We're Turning Seafood on its Head

Enjoying delicious seafood at home used to be head-spinning—until now. With Aquamar's new line of **ready-to-heat pacific cod fillets in a variety of gourmet-level sauces** your customers can serve affordable, chef-quality seafood dishes of uncanny convenience right at home. No head-scratching recipes to follow, no laborious prep, and no need to head out to a restaurant to get the seafood experience they crave. Just heat and enjoy. All without turning their world upside down.
